Building a Community of Readers

We're going to focus on reading promotion. What are some great ideas to get the students (and teachers) in your building reading?

- IDOE Update
- Beth Haynes will share about her Laura Ingalls Wilder Experience.
- We'll talk about how we promote the YHBA, Rosie, and Read Alouds Too Good To Miss lists.
- We'll share about student and faculty book clubs. How do they work? How do we get it started? How do you sustain it?
- How can we use technology to promote reading?

Please RSVP to Carl Harvey
